Greetings

'The 12 World Congress of Clinical Safety 2025 in Paris' is held jointly with 'The 2nd Academic Conference of Safety Psychology and Behavior for Healthcare'. The Congress covers wide range of safety topics, such as healthcare safety (patient safety, medical worker safety, medication safety, and medical device safety), infectious disease outbreak, and other related safety subjects.

The key concept of congress is "Well being With Healthcare Safety". It covers all health risks on physical wellbeing, mental wellbeing and social wellbeing.

After the previous Congresses in London, Heidelberg, Madrid, Vienna, Boston, Rome, Bern, Prague and Tokyo, a time is Paris Congress 2025.

Let's enjoy Paris Congress to meet together with multi occupations, share information and create your new global partnership at "World City of Arts"

Warm Regards,
Yours Sincerely,

International Association of Risk Management in Medicine (IARMM)
Medical Safety Promotion Organization (MSPO)
Medical Safety Society of Psychology and Behavior (MSSPB)
MSPO Health & Safety Institute (HIS)
MSPO Higher Education Program of Medical Safety Promotion (HEPMSP)
