Greetings

'The 13 World Congress of Clinical Safety 2026 in Kyoto is held jointly with 'The 3rd Academic Conference of Safety Psychology and Behaviour for Healthcare'. The Congress covers wide range of safety topics, such as healthcare safety (patient safety, medical worker safety, medication safety, and medical device safety), infectious disease outbreak, and other related safety subjects. You can participate in the live presentations in the conference rooms or virtual presentations on internet.

The key concept of congress is "Health Well-being". It covers all health risks on physical well-being, mental well-being and social wellbeing.

After the previous Congresses in London, Heidelberg, Madrid, Vienna, Boston, Rome, Bern, Prague, Tokyo, and Paris, a time is Kyoto Congress 2026.

Let's enjoy Kyoto Congress to meet together with multi occupations, share information and create your new global partnership at "Old Capital of Traditional Japanese Arts".

Sincerely,

International Association of Risk Management in Medicine (IARMM)
Medical Safety Promotion Organization (MSPO)
Medical Safety Society of Psychology and Behavior (MSSPB)
MSPO Health & Safety Institute (HIS)
MSPO Higher Education Program of Medical Safety Promotion (HEPMSP)
