

IARMM 6th World Congress of Clinical Safety

6th 8th Sep 2017, Ambasciatori Palace Hotel, Rome, Italy

Safe Environment and Progressive Skills toward Smart Healthcare
--- Based on Quality and Quantity Aspects ---

Program (tentative)

.....First revise on 22 June 2017.

This tentative program doesn't include all presentation topics.
The final program will be fixed on middle July.

(Utility) One meeting room and one poster presentation space.

Your oral presentation will be allocated into some panel discussion, symposium or workshop.

The abstract book in internet is delivered to the registered delegates. The Congress hall has free-WIFI service, so that you can see all abstracts in internet during the Congress period.

There is no print version of the abstract book.

(Your oral and poster presentation will be allocated into some session in the bellow)

Patient safety / Medication safety / Medical Engineering safety / Nursing safety / Clinical risk assessment / Clinical risk management, / Clinical risk communication / Clinical risk governance / Clinical crisis assessment / Clinical crisis management, / Clinical crisis communication / Clinical crisis governance / Improvement and Implementation Science for Quality and Safety / Improvement and Implementation Science for quantity and Safety / Safe and reliable care / Improvement of IT technology for clinical safety / International perspectives for clinical safety / Patient and family centered care / Leading effective change / Improving population and community health / Pursuing quality and safety in mental health care / Simulation and human factor for clinical safety / The impact of education, training and simulation on patient safety / Structure and system management / Hospital accreditation and regulation - the challenges and lessons on overcoming them / Care Across the Continuum, Handovers and transitions of care / Big data analysis for safety science / Quality Care in Developing Countries and for Vulnerable Populations / Improving Healthcare - Lessons from other industries / Patient participation in clinical safety / Writing for publication - how to publish quality improvement reports and research Risk and safety in medical device and alarms / Safety culture in healthcare and group medicine Surgical safety, preoperative risk management and Checklists / Medication safety / Safe nursing Clinical communication for safe healthcare / Patient participation in clinical safety Risky behavior and safety psychology / Transparency and visualization of clinical risk in healthcare Education and coaching for clinical safety / Safety in emergency and disaster medicine Infectious disease control / Food safety Environmental health and safety / Others

[Special Presentation]

(NA022) Improved safety of collection of blood specimens using an interfaced EPIC / Sunquest Laboratory Information System

Director & Assoc Prof, Milenko Tanasijevic MD, Stacy Melanson MD
Director, Brigham and Women's Hospital, Harvard medical School, USA

(NA023) Cardiac Troponin T could be safely used without CK and/or CKMB to rule out acute myocardial infarction in and emergency ward setting.

Stacy E.F. Melanson MD PhD, Milenko J. Tanasijevic MD MBA
Brigham and Women's Hospital, Harvard medical School, USA

(NA060) Reducing Nursing Interruptions to Improve Patient Safety

Prof. Linda McGillis Hall
University of Toronto, Bloomberg Faculty of Nursing, Canada

(NA075) The Role of Nurse Leaders in the Promoting the Safe Integration of Internationally Educated Nurses into Canadian Hospitals

Prof. Linda McGillis Hall, PhD, FAAN, FCAHS
University of Toronto, Canada

(NA090) Modern Health Education in Clinical Safety Assurance

Dean & Prof. Bakhtina Irina Sergeevna, & Garderobova L.V.
Saint-Petersburg Postgraduate School of Nursing of the Federal Medical Biological Agency, Russia

(NA091) Lessons Learned from a Medication Error: How Safety Culture Mitigates Harm to Both Patients and Clinicians

Director & Assoc Prof, May C M Pian-Smith, MD, MS
Harvard Medical School, USA

(NA097) Automatic Business intelligence tools and tips: How to survive in the new Smart healthcare and its overload of data

Filippo Bartoccioni, B. Calabrese, G. Orlandi, M. Dubinski, P. Minotti, Y. Akhmetov, K. Pelagagge
Asl Viterbo, Italy

And more.....

[Oral Presentation]

(NA003) Integrating Nursing Informatics to Improve Patient-Centered Care

Pi-Chi Wu

Department of Nursing, Chiayi Chang Gung Memorial Hospital, Taiwan

(NA005) GENETIC EVENTS IN CHRONIC LYMPHOCYTIC LEUKEMIA

Aurelian Udristoiu, Manole Cojocaru

Emergency County Hospital & , Faculty of Medicine, Titu Maiorescu University, Romania

(NA007) The Safe Practice of Acupuncture

Dr. Steven K.H. Aung

University of Alberta, Canada

(NA008) Medical Acupuncture: How to Improve the Quality Of Life

Dr. Steven K.H. Aung

University of Alberta, Canada

(NA011) Considering the “Second Victim”: ICARE for the Caregiver, Peer to Peer Support

Bonnie Portnoy, Senior Director, Risk Management & Patient Safety, Mount Sinai Health System (MSHS); Erica Rubinstein MS, Senior Director, Patient Relations & Service Recovery, MSHS; The Mount Sinai Hospital, Vicki Lopachin MD, CMO, USA

(NA012) Understanding Serious Adverse Events: A Process to Improve Organizational Culture

Bonnie Portnoy RN, MJ, CPHRM, CPSO, Senior Director, Risk Management & Patient Safety, Mount Sinai Health System, Vicki Lopachin MD, Chief Medical Officer, Mount Sinai Health System, Rebecca Anderson, Director, Strategic Operations, The Mount Sinai Hospital, USA

(NA013) Accreditation - An Australian Perspective on the Impact of New Mandatory Standards - Opportunities and Challenges for Leaders and Managers

Sandy Thomson

Quality Systems and Assurance Services Pty Ltd T/A GovernancePlus, Australia

(NA015) Clinical Leadership in Establishing General Practitioner Accreditation for Minor Surgery: A National Pilot Study

Dr Ailís ní Riain, Dr Claire Collins, Dr Tony O’Sullivan

Irish College of General Practitioners, Ireland

[Oral Presentation]

(NA017) Development the Patients Safety and Quality Management Feedback Support System for the purpose of reduction in task load of Patients Safety Managers

Tatsuya Kitano

Seijoh University, Health Care Management Course, Faculty of Business Administration/Graduate School of Health Care Studies, Patients Safety & Quality Management, Japan

(NA020) Calibrating Urgency- Initiating Triage Tool for obstetric population to categorize & prioritize patients efficiently according to their medical presentation.

Shireen Mohammad, Dr. Nadia Mohammad, Kashif Sajwani, Dr Arshia Javed, Fatima Khanam, Rahila Meghani, Rozina Shazad, Kashif Sajwani, Dr Adnan Khan, Dr Erum Saleem

Aga Khan University Hospital, Pakistan

(NA025) Values, meaning and perspectives for healthcare professionals : impact on patient safety

Sophie Garcelon

WING SANTE, France

(NA036) The usefulness of After Action Review system to improve the quality of debriefing in medical system

Naoto Okada, Satoru Utsunomiya, Toshiyuki Narumi, Kanji Kabasawa, Sakae Otani, Masayasu Aoki

Yuichiro Yana, Eiji Morita, Yasuto Omura, Hidetomo Nakamoto

Saitama Medical University, Japan

(NA041) Preventing and managing hospital acquired pressure ulcers

Hany Mohamed, Mohamed kheder, sayda medany, ayman Mohamed and wesal skaker

Children's Cancer Hospital Egypt 57357, Egypt

(NA043) Global standards and data capture technologies support improvement of clinical safety and the achievement of the five patient rights

Els van der Wilden-van Lier; Flora Sue

GS1 Global Office, The Netherlands

(NA044) The Study on Comparison of Perception Differences about Patient Safety Attitude, Surgical Time Out and Factor of Retained Surgical Items between Nurses and Doctors Working in the Operating Room.

Eunsook Lee (RN, MSN), Eunok Kwon (RN, PhD), Sujeong Jeon (RN)

Seoul National University Hospital, South Korea

(NA048) Assess The Culture Of Patient Safety Through Humpty Dumpty Fall Scale (HDFS) Evaluation

Ola Magdy Torky, Shaimaa El Meniawy

Children's Cancer Hospital Egypt 57357, Egypt

(NA049) Utilization Management Of Platelets Units Using Lean Six Sigma Methodology

ola magdy abdel hameed torky

Children's Cancer Hospital Egypt 57357, Egypt

[Oral Presentation]

(NA053) Trial of Exchanging Mini-Medical-Records System Shared between Patient and Doctor

Kazuhiro Okamura

Okamura Isshindow General Hospital, Japan

(NA064) The relationship between working hours and dietary habit and weight gain during the pregnancy period

Minatsu Kobayashi, Kohei Ogawa, Katsunori Cha, Naho Morisaki, Takeo Fujiwara

Ohtsuma Women's University Japan

(NA071) THE USE OF MEDICAL SIMULATORS MAY LEAD TO A SIGNIFICANT REDUCTION IN HEALTH CARE COSTS

G. Halmerbauer¹, N. Kamptner, A. Schrempf, C. Ausch

University of Applied Sciences, AUSTRIA

(NA073) Patient Safety and Risk Management: a lesson from the Aerospace industry - IT integration with Electronic Medical Record (EMR)

DOMENICO MANTOAN, BARBARA CAMERIN, ANDREA BOER, MARINA BRATTINA, LORENZO GUBIAN, FABIO CASSAN, GIACOMO VIGATO

VENETO REGION - HEALTHCARE ORGANIZATION, Italy

(NA085) Furthering Antibiotic Stewardship through a 'Rolling' Monthly Audit and Teaching

Mr J A Collins, Dr S. Money-Coomes, Dr Aojula, Dr J Au Yeung, Dr S Khan and Dr R J Parikh

The Royal Oldham Hospital, UK

(NA086) Implementation of a Management and Reporting Tool as a basis for optimization of Processes and Outcome in 11 Hospitals including Surgical, Orthopaedic and Urological Patients

Haslinger-R (1), Kamptner-N (1), Halmerbauer-G (1), Ehrenmüller-M (1), Königswieser-T (2), Ausch-C (2)

1. Department of Process Management and Business Intelligence, University of Applied Sciences Upper Austria, Steyr, Austria

2. OÖ. Gesundheits- und Spitals-AG, Linz, Austria

(NA088) An application of classification methods on clinical data for retrospective detection of patients with complications

R. Haslinger (1), G. Halmerbauer(1), H. Wagner(2), C. Ausch(3)*

(1)Department of Process Management and Business Intelligence, University of Applied Sciences Upper Austria, Steyr

(2)Department of Applied Statistics, Johannes Kepler University, 30Ö. Gesundheits- und Spitals-AG, Linz, Austria

(NA095) Standard Operating Procedure and Smartphone: a smart approach to monitor healthcare management

Calabrese B D, Akhmetov Y M.D., Pelagagge K, Piorgiorgio Minotti, Dubinski M Bartoccioni F, M.D.

HTAcamp, Italy

(NA096) Smart healthcare: How to have a free alert system to overcrowding in emergency rooms

K. Pelagagge, B. Calabrese, G. Orlandi, M. Dubinski, P. Minotti, Y. Akhmetov, F. Bartoccioni

HTAcamp, Italy

[Oral Presentation]

(NA098) Using Mapping to Improve Systems of Clinical Handover

Sandy Thomson

GovernancePlus, Australia

(NA100) Team Briefing - Changing the Focus of Surgical Safety Checklists

Kristine Wyatt

Kyneton District Health, Australia

(NA105) Ethics of Short-term Global Health Operations and Delivery of Care

Leo Lopez III, MD

Christus Santa Rosa, USA

(NA108) SAPREMO: Safe Ageing - Prevention and Demography at Centre Stage Respecting Polypharmacy

Dr. med. Ursula Wolf

University Hospital Halle, Martin Luther University Halle-Wittenberg, Germany

(NA110) Evidence under threat: risk communication in an era of alternative facts

Thomas Rowsell

Uppsala Monitoring Centre

(NA115) GENETIC EVENTS IN CHRONIC LYMPHOCYTIC LEUKEMIA

AURELIAN UDRISTIOIU

Faculty of Medicine, Titu Maiorescu University, Bucharest, Romania

(NA116) CLOPIDOGREL PHARMACOGENETICS: A VALID METHOD TO ASSURE EFFECTIVENESS AND SAFETY OF THE ANTIPLATELET THERAPY

V. Conti, V. Manzo, C. Sellitto, T. Iannaccone, M. Costantino, G. Corbi, P. Malangone, G. Nicoletta, G. Accarino, A. Filippelli

University of Salerno, Italy

(NA118) Antipsychotic associated metabolic monitoring: How well are we doing it?

Howard W Bergendahl JD, MS, CPPS

The Bergendahl Institute, LLC, USA

(NA127) Interprofessional practice and nursing workforce wellbeing: Effective collaboration practice and burnout among registered nurses

Linda Eyre, Louise Barriball

King's College London, UK

(NA132) Patient safety and behavioral pharmacovigilance

Isabelle van Bennekom

University of Amsterdam, The Netherland

(NA153) The Enhancement of ER Workplace Safety as to Reduce the Turnover Rate of the Nursing Staff

WEN CHUN TSAI, YU WEN SHIH, YU HUA CHOU

Department of Nursing, En Chu Kong Hospital, Taiwan

[Oral Presentation]

And more.....

[Poster Presentation]

(NA004) Removing biopsy proximity errors through endoscopic biopsy process method change

Hyojin Shin, Mi-Hyun Yun, Jihee Jung, Sooyeon Huh

Seoul National University Hospital Healthcare System Gangnam Center, South Korea

(NA009) Safety management requirements necessary for skilled birth attendance provided by midwifery students, based on the perspective of training instructors

Kumiko Iwatani¹, Kyoko Kanamori², Satomi Yoshida³, Miwa Izuhara⁴

Kanazawa Medical University, Japan

(NA010) Count Time Out to prevent count errors

Hye-young, Kang

Seoul National University Hospital, Korea

(NA024) Safety and Usefulness of Returned Ampule Sorting Machine – toward the Realization of Virtual Cassettes –

Koichi Takahashi, Kazuko Higuchi, Kazunori Yamaguchi, Nami Mizukawa, Takato Nozaki, Naoki Shinohara, Hiroaki Tanaka, Masato Asakura, Shinji Kosaka, and Hitoshi Houchi

Kagawa University Hospital, Japan

(NA026) Flipping the Simulation Experience: Whiteboard Animation Delivering Progressive Skills towards TeamSTEPPS Tools to Improve Communication and Patient Safety in a Safe Environment

Gavin Gardner and Alecia Gardner

Des Moines University, USA

(NA033) Implementation of a patient education multimedia tool to enrich patient knowledge about their planned anesthesia care in advance of surgery

Kyan C. Safavi MD MBA, Yuri Chaves-Martins MD, Shu Lu MD, Emily Naoum MD, Gabrielle Paoletti MD, Katarina Ruscic MD PhD, Lisa Warren MD, Lisa Leffert MD

Massachusetts General Hospital, USA

(NA034) Checking failures and the estimation of risk-taking behaviors: A cross-sectional survey in a university hospital-

Masako Fujii, Hironobu Akino, Kazuyo Terasaki, Yoshimi Kuwabara, Kimiko Kitahama

University of Fukui, Japan

(NA042) Development of Pilot Anesthesia Quality Index System in the Standard Surgery Cases

Yusuke Kasuya, Shiori Sakuma, Makoto Ozaki

Department of Anesthesiology, Tokyo Women's Medical University, Japan

(NA045) Action of the Disaster Medicine Coordinate Workshops in Japan Held by the "ACT" Institute of Disaster Medicine

Tadashi Ishii, Kazuma Morino, Yoshikazu Maruyama, Takuya Uozumi, Kuniharu Takahashi

Tohoku University Hospital, Japan

[Poster Presentation]

(NA050) Utilization Management Of Platelets Units Using Lean Six Sigma Methodology

Ola Magdy Torky ,Shaimaa El Meniawy

Children's Cancer Hospital Egypt 57357, Egypt

(NA051) Assess The Culture Of Patient Safety Through Humpty Dumpty Fall Scale (HDFS) Evaluation

Ola Magdy Torky ,Shaimaa El Meniawy

Children's Cancer Hospital Egypt 57357, Egypt

(NA054) Simulation Training for Patient Safety in Neurosurgical Emergency - PNLs:Primary Neurosurgical Life Support

Megumi Takahashi, Masahiro Wakasugi, Hiroshi Okudera, Hisashi Nakashima, Mie Sakamoto, Mayumi Hashimoto, Emiko Asaka

Department of Crisis Medicine and Patient Safety, Graduate School of Medicine, University of Toyama, Japan

(NA059) Communication between nursing students and nurses during practicums

Yukiko Kai1), Keiko Murakami2), Yuriko Ohkawa1)

School of Nursing, Faculty of Medicine, University of Miyazaki, Japan

(NA061) Factors analysis of poor healing wound in negative pressure wound therapy

YENHSI, LIN, JING-YI, LIN, JIUN-LING, WANG

National Cheng kung University Hospital , Taiwan

(NA062) Evaluation of multidisciplinary management care involved in diabetic wound

YEN-HSI, LIN,, JING-YI, LIN , JIUN-LING, WANG

National Cheng kung University Hospital , Taiwan

(NA063) International trades and food risk reports in mass media: the case of BSE

Hajime SATO

National Institute of Public Health, Japan

(NA065) Relationship between professional experience as a practicing dietitian and health status or dietary awareness among graduates of a department of food science and nutrition

Minatsu Kobayashi, Sayo Uesugi, Reiko Hikosaka

Otsu women's University, Japan

(NA067) Development and validation of a trigger tool to identify adverse events and no-harm incidents in home healthcare

Schildmeijer Kristina, Nilsson Lena, Ekstedt Mirjam, Unbeck Maria

Royal Institute of Technology, School of Technology and Health, Stockholm, Sweden

(NA068) Safety assessment of using preliminary formulation for preparing antitumor drugs

N.Mochizuki, D.Kano, M.Morimoto, N.Yoshino, M.Tanaka, M.Yamaguchi

National Cancer Center Hospital East, Japan

(NA069) Characteristics of psychosocial support for supporters in disaster relief

Chikako Itagaki, Tadashi Ishii

Japanese Red Cross Medical Center

[Poster Presentation]

(NA070) Potential drug therapy issues for the elderly: an insight based on nation-wide prescription audit in primary care

Khalid Ahmed Jassim Al Khaja, Sindhan Veeramuthu, Reginald P. Sequeira

Arabian Gulf University, Bahrain

(NA072) Monitoring Critical Values in Primary Care as a Patient Safety Strategy

Moreno-Campoy EE. Dirección General de Investigación y Gestión del Conocimiento. Consejería de Salud.

Mérida-DelaTorre FJ. Laboratorio Clínico. Área de Gestión Sanitaria Serranía. Servicio Andaluz de Salud

Dirección General de Investigación y Gestión del Conocimiento. Consejería de Salud de Andalucía, Spain

(NA074) Actual Use of Non-Technical Skills Related to Intravenous Drip Management by First-year Nurses in Japan

Saeko KINUGAWA, Noriko KUROSAWA

Division of Nursing faculty of Nursing, Tokyo Healthcare University, Japan

(NA076) Evaluation of inter-rater reliability and accuracy of the Fall Risk Behavior Assessment Tool (FRBA-Tool) for prediction of the risk of fall

Akiko Hiyama, Keiko Nakamura

Faculty of Nursing, Sapporo City University, Japan

(NA077) Comparisons of Emotional Intelligence, Mental Health and Ego-resilience between Mothers of Children/Adolescents with and without Disabilities

Masumi Omori, Shin-ichi Yoshioka

The University of Shimane Izumo Campus, Japan

(NA078) Comparison of back pain among physiotherapists and nurses in the Slovenia

Marcel Duh, Jadranka Stričević, David Haložan

Univerisij of Maribor, Slovenia

(NA079) The structure of professional confidence of public health nurses

Tomoko Ogawa, Hisae Nakatani, Akiko Kanefuji, Kiyoka Yamashita

The University of Shimane, Japan

(NA080) Ergonomic environment of elderly people and encouraging sensory stimulation

Jadranka Stričević, David Haložan, Dušan Čelan, Milan Brumen, Majda Painkihar, Zmago Turk

University of Maribor, Faculty of health science, Slovenia

(NA081) Safety assessment of using preliminary formulation for preparing antitumor drugs

N.Mochizuki, D.Kano, M.Morimoto, N.Yoshino, M.Tanaka, M.Yamaguchi

National Cancer Center Hospital East, Japan

(NA082) To Improving patient safety and Effective traceability of surgical instruments during sterilization process using GS1 standards

Shingo Kasamatsu, Yoko Ishimoto, Kazue Suwa, Naomi Emori, Kazufumi Sato, Koichi Uemura, Hironobu Akino,

University of Fukui, Japan

[Poster Presentation]

(NA083) Comparison of Delivery Outcomes between Clinics and Comprehensive Perinatal Care Centers

kyoko KANAMORI, Kumiko IWATANI, Miwa IZUHARA

Kyoto Koka Women's University, Japan

(NA087) The current status of and attitudes towards using a pregnancy-related risk self-assessment scale among Japanese females who gave birth in high-order health care institutions

Kyoko KANAMORI, Kumiko IWATANI, Miwa IZUHARA

Kyoto Koka Women's University, Japan

(NA089) Experiences of Patient Safety Activities of Rapid Response Team for First Year

Sulhee Kim, Eunjin Yang, Jeoungeun Park, Sangmin Lee, Jinwoo Lee, Hannah Lee, Hyunjoo Lee, Hogeol Ryu, Seungyoung Oh, Sangbae Go

SEOUL NATIONAL UNIVERSITY HOSPITAL, South Korea

(NA094) Experiences of Patient Safety Activities of Rapid Response Team for First Year

Sulhee Kim, Eunjin Yang, Jeongeun Park, Sangmin Lee, Jinwoo Lee, Hannah Lee, Hyunjoo Lee, Seungyoung Oh, Hogeol Ryu, Sangbae Go

SEOUL NATIONAL UNIVERSITY HOSPITAL, South Korea

(NA107) PATIENT SAFETY RELATED TO COMPLEMENTARY TESTS IN EMERGENCIES

Alcaraz-Martinez J, Aranaz-Andrés JM, Meroño Rivera MD, Escudero-Sánchez C, Belda-Palazón M, Reina-Nicolás IM, Esteban Lloret C, Soto-Castellón B, Nicolás-Galvez J, Abellan Mompean L

Servicio Murciano de Salud. Hospital Morales Meseguer, Spain

(NA114) Developing a ward round checklist to improve patient safety

Ismail BOZKURT, MD, Chief of Continuous Quality Improvement Department / Medical Director

Burcu BOZKURT, Nursing Manager

Deniz KUCUKLER, Nursing Manager

Fatma KUCUKERENKOY – Manager of Continuous and Quality Improvement Department

Vehbi Koc Foundation American Hospital, Turkey

(NA117) Falling in Hospitalized Patients Under the Influence of a Soporific – Analysis of Public Adverse Event Reports on the Web

Taiko TERASHIMA; Lecturer; Japanese Red Cross Hokkaido College of Nursing, Hokkaido, Kitami, Japan

Akiko Hiyama; Lecturer; Sapporo City University, Sapporo, Hokkaido, Japan

Junichi TANEMOTO; Assistant professor; Japanese Red Cross Hokkaido College of Nursing, Kitami, Hokkaido, Japan

Sadako Yoshimura; Emeritus professor; Faculty of Health Sciences, Hokkaido University, Sapporo, Hokkaido, Japan.

(NA119) Antipsychotic associated metabolic monitoring: How well are we doing it?

Racha Dabliz, Mental Health Pharmacist, Concord Centre for Mental Health,

Seniha Karacete, Senior Mental Health Pharmacist, Concord Centre for Mental Health,

Angela Meaney, Clinical Nurse Consultant Physical Health & ccCHIP Clinics, Mental Health Service,

Bonnie Tse, Psychiatry Trainee, Concord Centre for Mental Health,

Concord Hospital- Concord Centre for Mental Health, Australia

(NA123) The Safe Patient Handling Experience: Best Practices for a Culture of Safety

Eric Race, Atlas Lift Tech; Ruth Francis, MPH, MCHES, American Nurses Association

Atlas Lift Tech, USA

[Poster Presentation]

(NA124) Introduction of TeamSTEPPS training for education of medical school 4th grade

Hiroshi OKUDERA, M.D., Ph.D., Hisashi NAGASHIMA, M.D., Ph.D.

Masahiro Wakasugi, M.D., Ph.D., Yoko YAMAMOTO, R.N., M.Ms.

Etsuko NOGAMI, R.N., M.Ns.

Toyama University Hospital, Japan

(NA125) Evaluation of Video Materials Assessing a Family Crisis

Hisae Nakatani, Akiko Kanefuji,

Hiroshima University, Japan

(NA128) Rapid communication with patient side to share the truth

Yukio Seki, Miho Kinoshita, Junichi Mizuno, Norie Tsuboi, Mitsuyo Ohno, Masaru Inoko, Yumiko Kose

Japanese Red Cross Nagoya Daini Hospital, Japan

(NA130) Working stress and coping strategies among intensive care nurses

Shu-Ching Lin, Shu-Ming Chen

Chi Mei Medical Center, Taiwan

(NA139) Influence of Teamwork Perception and Satisfaction of Intra-organizational Communication on Safety Control

Kyoung Ja Kim

Hannam University, South Korea

(NA143) A descriptive study on medical error incidents including near misses related to insulin injections in a hospital in Japan

Kumiko Asakawa, Mihoko Kondo, Masako Fujii, Naomi Emori, Tomoko Hasegawa

University of Fukui Hospital, Japan

(NA144) The Usefulness of “Partnership Nursing System” to prevent Alarm Fatigue in ICU

Yukie Takayama; Mayumi Tada; Shingo Haneda; Mayumi Miyamae; Shinpei Ohtsuka, Anna Watanabe; Naomi Emori;

Tetsuo Fujibayashi; Kazuhiro Kikyo

University of Fukui Hospital, Japan

(NA145) Influence of our new nursing system called the Partnership Nursing System: PNS on medical safety and patients' satisfactions

Naomi Emori, Miho Murata, Yukie Takayama, Kumiko Asakawa, Kazue Suwa, Tomoko Hasegawa

University of Fukui Hospital, Japan

(NA147) Attempt at acute care ward to reduce interference with patients' physical ability

TOSHIKO KOBAYASHI

Toho University, Ohashi Medical Center, Japan

(NA148) The review of influence on the number of police reporting system by new medical accident investigation system starting from October 2015 in Japan

Ryoko HATANAKA

The University of Tokyo, Japan

[Poster Presentation]

(NA152) Safety in Medical Environment – Discussion on the Prospective Vulnerability Analysis Results and Risk Management Results

WEN CHUN TSAI, YA LING CHEN, PEI YING CHEN, YU WEN SHIH, SHU FEN CHOU

Department of Nursing, En Chu Kong Hospital, Taiwan

(NA154) Are there more incidents in the emergency department during the months of overload? Review through the back to the emergency service (ES).

Julián Alcaraz Martínez, Mamen Escarbajal Frutos, Pavlo Povzon, Sara Ramos López, Isabel Reina Nicolas, Diana Peñalver Espinosa, Beatriz E Costa Martinez, M Mar Cutillas Perez, Juan José Vives Hernández, M Jose Carrillo Burgos

Hospital Universitario JM Morales Meseguer, Spain

(NA155) Results of evaluation of use of monitors alarms in an emergency service

Julián Alcaraz Martínez, Estela Morales Vázquez, Pilar Bosque Lorente, Esperanza Martínez, Belén Soto Castellón, José Alberto Guzmán, Maria Antonia González Soler, Sandra Moreno Reina

Hospital Universitario JM Morales Meseguer, Spain

(NA156) Relationship between postmenopausal symptoms and dietary intake of youth by longitudinal study.

Sayo Uesugi, Minatsu Kobayashi, Reiko Hikosaka

Otsu Women's University, Japan

(NA157) Stercoral colitis

Lee, Mei-Lin, Tu Chu-Li, Yu-Feng Tian

Chi-mei Hospital, Tainan, Taiwan

(NA159) Self-expandable metal stent(SEMS) Enhance The Patient Preoperative Life Quality

Tu Chu-Li

Chi-mei Hospital, Tainan, Taiwan

And more.....
